# Fan Chart Instructions

1. Fill in the "Created by", "Date", and "Location" fields in the top left. The Location is the name of the library or location where the data on the form was collected. The repository in genealogy lingo.
2. The center circle is for the "focal person". Put the name in the circle. Include first, middle, and last. They are Person 1.
3. Person 1's other information is just below the circle. Included are date of birth, place of birth, marriage date, place of marriage, date of death, place of death and spouse's name. Remember, dates are best in the this format: DD MMM YYYY. Place should include city, county, state, (country) in the US. In other countries it should include city, district/department/county, region/state, country.
4. The sources for Person 1 are not on the face of the fan chart. You should enter your source details on the Sources pages. Each source will have a number on the Sources page. Enter the correct number each space for Person 1 at the top of the Individual Details page.
5. If you are with me so far, pat yourself on the back!
6. Now, let's fill in the rest of the names on the fan chart. Person 1's father goes in the Person 2 space.
7. Person 1's mother goes in the Person 3 space.
8. Person 2's father and mother go in the spaces for Person 4 and Person 5 respectively.
9. Person 3's father and mother go in the spaces for Person 6 and 7 respectively.
10. So the 2 spaces directly above each person are for their parents.
11. Don't forget! Number your charts in the top left corner. And if Person 1 is on another chart, place the corresponding information in the spaces provided at the top on the left.
12. Now move on to the Individual Details pages. Find the corresponding number for each person on the fan chart and fill in that person's details.
13. At the end of each blank space is a "/". After the "/", place the number for the source where you got the data. The number for each source is on one of the Sources pages where you listed the source.
14. The Sources pages should be numbered in the top right. Also, the sources on the first page are numbered 1-8. On the other pages they are blank. Fill them in as you go.
15. If you need help citing your sources, see the Citing Sources page.
